Foods Resource Bank is a Christian response to world hunger. Its goal is for hungry people to know the dignity and hope of feeding themselves by making it possible for them, through sustainable smallholder agricultural programs, to produce food for their families with extra to share, barter or sell. Foods Resource Bank endeavors to build networks with various agricultural communities in “growing projects” in the United States, allowing participants to give a gift only they can give. These volunteers grow crops or raise animals, sell them in the United States and the resulting money is used by implementing members (denominations and their agencies) to establish food security programs abroad.

United Methodist Committee on Relief is the not-for-profit global humanitarian aid organization of the United Methodist Church. UMCOR is working in more than 80 countries worldwide, including the United States. Our mission, grounded in the teachings of Jesus, is to alleviate human suffering—whether caused by war, conflict or natural disaster, with open hearts and minds to all people. UMCOR responds to natural or civil disasters that are interruptions of such magnitude that they overwhelm a community's ability to recover on its own. We partner with people to rebuild their communities, livelihoods, health, and homes. In times of acute crisis, we mobilize aid to stricken areas—emergency supplies, fresh water, and temporary shelter—and then stay, as long as it takes, to implement long-term recovery and rehabilitation.
